### GREETINGS FROM THE LOFT!

Our February was off to a busy start with preparation for and participation in the visit of **His Eminence Archbishop Demetrios**, our beloved **Metropolitan Gerasimos**, and the national Hierarchy, along with the meeting of **Leadership 100**. We sang for the early liturgy on Tuesday, February 2, and again for the hierarchical liturgy on Sunday, February 7. Our youth choir and dancers performed beautifully at the Leadership 100 Glendi at the Hotel Del Coronado on Friday evening the 5th, warming His Eminence's heart! We are always so proud of them.

Now we look ahead to the beauty and growth of Great Lent as we rehearse and sing again the precious hymns of our faith for the season and in preparation for Holy Week and Pascha. We always welcome new voices to sing with us!

Calling all chanters and singers, both youth and adult! Save the date for the Metropolis Church Music Federation, which will be held June 17-20 in Tucson, Arizona!

Many thanks to Alexia Kanterakis for always taking care of our weekly and monthly calendars, which keep us on task with our busy schedule. ❀

Singing His Praises, Kathy Meck
