

To the community of St. Spyridon...

THANK YOU for your support!

We were able to send our troops overseas 154 boxes from our community.

To date, U.S. military and coalition troops in Iraq, Afghanistan, Africa, Japan, Korea, and throughout the Middle East and Pacific have enjoyed nearly 1.5 million boxes — 40 cargo containers — of cookies and hundreds of thousands of note cards. In return, through letters, e-mails, cards and photos, thousands of grateful troops stationed far away, have shared with San Diegans the thrill of receiving “a taste of home and a note to show we care.”
