Feasibility Study Information - Please be advised that the St. Spyridon Feasibility Committee, commissioned by the Parish Council and the Hellenic Foundation, has scheduled two informative meetings (one during the day time hours and one during the evening hours). These meetings are your opportunity to hear what has been taking place over the past several months with regard to future planning; and for you to ask specific relevant questions concerning an objective Feasibility Study pertaining to the future of the property that both the parish and the Hellenic Foundation have acquired over the past several years. Please mark your calendars and make every effort to be present at either one or both of the informative meetings scheduled for Sunday, November 29, 2009 following the Divine Liturgy; and for Friday (evening), December 4, 2009 at 7:00 pm. These meetings are a fruitful attempt to help inform you prior to the Special General Assembly scheduled for Sunday, December 13, 2009 (following the Divine Liturgy) at which time, the viability of a Feasibility Study will be discussed again and voted upon. An official letter from the parish office has been sent to each household with further information. The members of the Feasibility Committee are: Fr. Andrew Scordalakis (ex officio), John Kalas (chairperson), Art Balourdas, Elias Katsoulas, Jon Stamatopoulos, Stephen Thiros, Spero Tzathas.
